

## 15 Talking Points: Update 2022

The **spiritual** and **sociopolitical** foundations of America and Western Society have steadily been undermined since the 1960's Sexual Revolution began **reversing millennia of Christian morality**. Followed by the decimating of traditional marriage and family through **cohabitation** and **divorce**. Culminating in the **clinical and contraceptive abortion** of 1 to 2 billion of **Christ's least brothers**, 5-10 times the entire world's population in Biblical days. A **diabolic campaign** of global **temptation** and **deception** destructively descending into **militant homosexual** and **inconceivable transgenderism**. A lost war against humanity, all but unfought by **modern Christianity**.

It's one thing to fight and fail. It's another to fail to fight. Not even in **serious prayer meetings...**

Furthermore, it should be abundantly clear the **Times and Seasons** have drastically declined since 2020. Nationally and globally, the world has never scene the like of even the following short list:

- 1. Covid-19 and variants**, of questionable origin, mandates promoting and/or requiring untested and dangerous MRNA "vaccines" and "boosters" with negative efficacy and even deadly side effects revealing unprecedented control of healthcare and politics by the collusion of pharmaceutical companies and bureaucrats. To the point of threatening the removal of medical licenses of physicians prescribing safe and reliable treatments proven effective against respiratory and other illness. Example: In 2015 Ivermectin won the only Nobel Prize award for treatments of infectious diseases since six decades prior. Also report by Fortune Magazine (not right wing magazine)

reveals that a simple home remedy of saline solution used for "Twice Daily Nose Flushing Can Reduce Covid Hospitalization and Death Researchers Find" by 85%. This study was conducted Fall 2020, and could have helped prevent 3/4 of Covid deaths.

- Sample Link: [\\*\\*Ivermectin Nobel prize\\*\\*](#) In 2015, the Nobel Committee for Physiology or Medicine, in its only award for treatments of infectious diseases since six decades prior, honoured the discovery of ivermectin (IVM), a multifaceted drug deployed against some of the world's most devastating tropical diseases. Since March 2020, when IVM was first used against a new global scourge, COVID-19, more than 20 randomized clinical trials (RCTs) have tracked such inpatient and outpatient treatments. Six of seven meta-analyses of IVM treatment RCTs reporting in 2021 found notable reductions in COVID-19 fatalities, with a mean 31% relative risk of mortality vs. controls. During mass IVM treatments in Peru, excess deaths fell by a mean of 74% over 30 days in its ten states with the most extensive treatments.

Our hospitals have become killing fields. From remdesivir and illegal DNR orders to denial of treatment, forced starvation, and abuse based on vaccination status, Gail experienced the horrors that hundreds of thousands of other Americans suffered in the hospitals. Except, thanks to her husband and help from state Senator Bob Hall, she wound up being forcibly extricated from the hospital

after 14 days of torture (7 days no water...). Even though the doctors said she wouldn't last a day longer, she is now perfectly healthy and is trying to raise awareness about the hospital genocide.

- Sample Link: Daniel Horowitz: **[\\*\\*The Risk of Cancer from Both the Shots and Perpetual Mask Wearing with Guest: Dr. Colleen Huber | 6/3/22\\*\\*](#)** “Clot shots. Poisoning of Americans (World) beyond belief, as they prepare to stick babies as young as 6 months old. HOW IS THIS NOT THE ISSUE OF OUR TIME? That it perpetuates the virus, destroys the immune system, and causes every ailment known to man... And yet to this day, it's like it doesn't exist. It's a complete lockout...” “If you don't get it you have your career destroyed. If you do get it you have your body destroyed. And then everything they plan on doing there on down with it. prenatal death and birth defects among newborn. Cover up and collusion by governments, health care and media industries. Great Reset agenda of elites through population reduction and control.

**4. BLM and Antifa's spreading of widespread rioting and looting, violence and lawlessness** in the name of blatantly FALSE narratives such as Critical Race Theory (CRT) and systemic police brutality. Both undermining the foundations of society by "calling good evil and evil good." All the while elevating career felons like George Floyd to sainthood status while ignoring the plague of black on black violence and murder, particularly within liberally controlled inner cities like the Obama's Chicago.

## **9. Drug cartel control of southern border unleashing illegal alien invasion of 2 million immigrants in 2022.** Horrifying abuse, violence and death of women and children, sick and elderly by the most outrageous smugglers and traffickers in American history enabled by Biden administration, democratic policy and republican controlled opposition. On national and state level. Immigrants extorted \$10-50,000 by cartels to allow illegal crossing into US.

**10. Drug cartel designer drug epidemic and death rate. Fentanyl is a synthetic opioid that is up to 50 times stronger than heroin and 100 times stronger than morphine. Carfentanil is a synthetic opioid approximately 10,000 times more potent than *morphine* and 100 times more potent than fentanyl.** The U.S. government does not track death rates for every drug. However, the [National Center for Health Statistics \(NCHS\)](#) at the [Centers for Disease Control and Prevention](#) collects information on deaths involving many of the more commonly used drugs. Nearly **92,000 persons in the U.S. died from drug-involved overdose in 2020**, including illicit drugs and prescription opioids. Up from less than 20,000 in 1999. **Thats a 350% increase in 2020 with higher rates in 2022..**
